Notes for holders of Ordinary Shares

(a) Only those members registered in the register of members of the Company at 6:30 p.m. London Time (1:30 p.m. Eastern Time) on May 9, 2023 will be entitled to attend and vote at the Annual General Meeting (“AGM”) in respect of the number of ordinary shares registered in their name at the time. Changes to entries on the relevant register after that deadline will be disregarded in determining the rights of any person to attend and vote at the AGM. Should the AGM be adjourned to a time not more than 48 hours after the deadline, the same deadline will also apply for the purpose of determining the entitlement of members to attend and vote (and for the purpose of determining the number of votes they may cast) at the adjourned AGM. Should the AGM be adjourned for a longer period, then to be so entitled, members must be entered on the Register at the time which is 48 hours before the time fixed for the adjourned AGM or, if the Company gives notice of the adjourned AGM, at the time specified in the notice.

(b) Any member may appoint a proxy to attend, speak and vote on his/her behalf. A member may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares of the member. A proxy need not be a member but must attend the meeting in person. Proxy forms should be lodged with the Company’s Registrar (Computershare) not later than 1:00 p.m. London Time (8:00 a.m. Eastern Time) on May 9, 2023. Completion and return of the appropriate proxy form does not prevent a member from attending and voting in person if he/she is entitled to do so and so wishes. The attached proxy statement explains proxy voting and the matters to be voted on in more detail. Please read the proxy statement carefully. For specific information regarding the voting of your ordinary shares, please refer to the proxy statement under the section entitled “*Questions and Answers About Voting.*”

(c) Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

(d) In the case of joint holders, the vote of the senior holder who tenders the vote whether in person or by proxy will be accepted to the exclusion of the votes of any other joint holders. For these purposes, seniority shall be determined by the order in which the names stand in the Company’s relevant register or members for the certificated or uncertificated shares of the Company (as the case may be) in respect of the joint holding.

(f) As of March 24, 2023 (the record date for ADS holders), the Company’s issued ordinary share capital consisted of 38,348,732 ordinary shares, carrying one vote each.

(g) Under s527 of the U.K. Companies Act 2006, members meeting the threshold requirement set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company’s accounts (including the auditor’s report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were

laid in accordance with s437 of the U.K. Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with ss527 or 528 of the U.K. Companies Act 2006. Where the Company is required to place a statement on a website under s527 of the U.K. Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required, under s527 of the U.K. Companies Act 2006, to publish on a website.

(h) Except as set out in the notes to this Notice, any communication with the Company in relation to the AGM, including in relation to proxies, should be sent to the Company's Registrar, Computershare, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom. No other means of communication will be accepted. In particular, you may not use any electronic address provided either in this notice or in any related documents to communicate with the Company for any purpose other than those expressly stated.

(i) Copies of the service agreement for our executive director and of the letters of appointment for our non-executive directors will be available for inspection at the registered office of the Company during normal business hours on any weekday (public holidays excepted) and at the place of the AGM for one hour before the meeting and at the meeting itself.

(j) Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if: (i) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (ii) the answer has already been given on a website in the form of an answer to a question; or (iii) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Contacts for ADS holders

If at any point you require guidance, please contact Gemma Brown, Company Secretary, by telephone at +44(0)1865 818808.

What are the requirements to elect the directors and approve each of the proposals?

You may cast your vote for or against proposals 1 through 7 or abstain from voting your shares on one or more of these proposals.

Proposals 1 through 7 will be proposed as ordinary resolutions. Under English law, assuming that a quorum is present, an ordinary resolution is passed on a show of hands if it is approved by a simple majority (more than 50%) of the votes cast by shareholders present (in person or by proxy) at the Meeting and entitled to vote. If a poll is demanded, an ordinary resolution is passed if it is approved by holders representing a simple majority of the total voting rights of shareholders present (in person or by proxy) who (being entitled to vote) vote on the resolution.

The result of the shareholder votes on the ordinary resolutions in proposals 3, 4, 6, and 7 regarding re-appointment of PricewaterhouseCoopers LLP as our U.K. statutory auditors, the ratification the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm, receipt of our U.K. statutory annual accounts and reports for the fiscal year ended December 31, 2022 and approval of our U.K. statutory directors' annual report on compensation for the fiscal year ended December 31, 2022 will not require our Board of Directors or any committee thereof to take any action. Our Board of Directors values the opinions of our shareholders as expressed through such votes and will carefully consider the outcome of the votes on proposals 3, 4, 6 and 7.

What are the voting recommendations of our Board regarding the election of directors and other proposals?

The following table summarizes the items that will be brought for a vote of our shareholders at the Meeting, along with the Board's voting recommendations.

Proposal	Description of Proposal	Board's Recommendation
1	Re-election of Karen T. Dawes to the Board of Directors	FOR
2	Re-election of Anne M. Phillips to the Board of Directors	FOR
3	Re-appointment of PricewaterhouseCoopers LLP as U.K. statutory auditors of the Company, to hold office until the conclusion of the next annual general meeting of shareholders	FOR
4	Ratify the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2023	FOR
5	Authorization for the Audit Committee to determine the Company's auditors' remuneration for the fiscal year ending December 31, 2023	FOR
6	To receive the U.K. statutory annual accounts and reports for the fiscal year ended December 31, 2022	FOR
7	Approval of the Company's U.K. statutory directors' annual report on compensation for the fiscal year ended December 31, 2022, which is set forth in Annex A	FOR

What constitutes a quorum?

Consistent with the Nasdaq Stock Market LLC ("Nasdaq") rules applicable to us as a U.S. domestic registrant and in accordance with our Articles of Association, we require qualified persons present at a meeting and between them holding (or being the proxy or corporate representative of the holders of) at least 33⅓ percent in number of the issued shares (excluding any shares held as treasury shares) entitled to vote on the business to be transacted at the Meeting.

ADS holders are the beneficial owners of the ordinary shares underlying their respective ADSs and therefore the Bank of New York Mellon Corporation (as the Company's depositary) shall attend the Meeting (either in person or by proxy) in order to vote the underlying ordinary shares on behalf of the ADS holders in accordance with the ADS voting instructions cards received from ADS holders.

If you are an ordinary shareholder of record, your shares will be counted towards the quorum only if you are present in person or represented by proxy at the Meeting. A member represented by a proxy at the Meeting will be counted towards the quorum requirement even where the proxy abstains from voting. If a form of proxy does not instruct the proxy how to vote, the proxy may vote as he or she sees fit or abstain in relation to any business of the Meeting, but the member represented by that proxy at the Meeting will be counted towards the quorum requirement.

If there is no quorum, the Meeting will stand adjourned to such time, date and place as may be fixed by the Chair of the Meeting (being not less than 10 clear days after the date of the original meeting). We require a quorum of at least 33 $\frac{1}{3}$ percent in number of the issued shares (excluding any shares held as treasury shares) entitled to vote on the business to be transacted if the Meeting is reconvened, consistent with the Nasdaq rules applicable to us as a U.S. domestic registrant and our Articles of Association. If such quorum is not present at the adjourned meeting within 15 minutes (or such longer interval as the Chair of the Meeting in their absolute discretion thinks fit) from the time appointed for holding the meeting, or if a quorum ceases to be present during a meeting, the meeting shall be dissolved if convened on the requisition of members and in all other cases shall stand adjourned to another time, date and place as may be fixed by the Chair of the Meeting (being not less than 10 clear days after the date of the original meeting).

How do I vote my ADSs?

If you held ADSs through a brokerage firm, bank or nominee on March 24, 2023, the materials for ADS holders, including the ADS voting instructions card, will be sent to that organization. The organization holding your account is considered the ADS holder of record. Please reach out to that organization to provide your voting instructions.

Please note that ADS voting instructions cards submitted by ADS holders must be received by The Bank of New York Mellon Corporation (as depository for the Company's ADS program) **no later than 12:00 p.m. Eastern Time on Wednesday, May 3, 2023.**

The Bank of New York Mellon Corporation will collate all votes properly submitted by ADS holders and, provided they are received in time and in compliance with the ADS voting instructions, vote the ordinary shares underlying the ADSs as instructed by you in accordance with your ADS voting instructions card.

Contacts for ADS holders

If at any point you require guidance, please contact Gemma Brown, Company Secretary, by telephone at +44(0)1865 818808.

How do I vote my shares?

If you are an ordinary "shareholder of record", you may appoint a proxy to vote on your behalf by completing and signing the form of proxy and returning it in the envelope provided. All proxies must be lodged with our registrar (Computershare) by no later than **1:00 p.m. London Time (8:00 a.m. Eastern Time) on May 9, 2023.**

You are encouraged to appoint the Chair of the Meeting as your proxy. If you appoint any person other than the Chair of the Meeting as your proxy, that person may not be entitled to attend the Meeting. If you properly give instructions as to your proxy appointment by executing and returning a form of proxy and your proxy appointment is not subsequently revoked, your shares will be voted in accordance with your instructions.

If your ordinary shares are held in an account at a brokerage firm, bank or similar organization, you should follow directions provided by your broker, bank or other nominee.

How will my ADSs or my shares be voted if I do not specify how they should be voted?

For ADS holders, if you have not returned your ADS voting instructions card in compliance with the ADS voting instructions, or if you have failed to indicate how you would like your ADSs to be voted, the Bank of New York Mellon Corporation shall not vote or attempt to exercise the right to vote attaching to

your deposited ordinary shares. The Bank of New York Mellon Corporation may only vote or attempt to exercise the right to vote attaching to your deposited shares in accordance with the ADS voting instructions card submitted by you.

For ordinary shareholders of record, if you sign and send your form of proxy but do not indicate how you want your shares to be voted, your shares may be voted by the person that you appoint as your proxy as he or she sees fit or such person may abstain in relation to any business of the Meeting.

Can I change my vote or revoke a proxy?

A registered holder of ordinary shares can revoke his or her proxy before the time of voting at the Meeting in several ways by:

- (1) mailing a revised form of proxy dated later than the prior form of proxy; or
- (2) notifying Gemma Brown, Company Secretary, in writing that you are revoking your proxy. Your revocation must be received at our registered office before the Meeting to be effective.

A shareholder would also be able to revoke his or her proxy by voting in person at the Meeting.

If your ordinary shares are held in an account at a brokerage firm, bank or similar organization, you may change or revoke your voting instructions by contacting the broker, bank or other nominee holding the shares or by your broker, bank or other nominee validly appointing you as proxy to attend at the Meeting.

Who counts the votes?

Computershare has been engaged as our independent agent to tabulate shareholder votes. If you are an ordinary shareholder of record, you can return your executed form of proxy to Computershare for tabulation (see instructions on the form of proxy). If you hold your ordinary shares through a broker, your broker will return the form of proxy to Computershare.

If you are a holder of record of ADSs, you can return your executed ADS voting instruction card to The Bank of New York Mellon Corporation for tabulation. If you hold your ADSs through a broker, bank or other organization, that organization can return the voting instruction card to The Bank of New York Mellon Corporation following your instruction. The Bank of New York Mellon Corporation will submit your votes to Computershare for tabulation.

How are votes counted?

Votes will be counted by Computershare, who will separately count “for” and “against” votes, and “votes withheld” or abstentions. A “vote withheld” or abstention will not be counted in the calculation of the votes “for” and “against” a resolution.

How many votes do I have?

On a show of hands, each ordinary shareholder of record present in person, and each duly authorized representative present in person of a shareholder that is a corporation, has one vote. On a show of hands, each proxy present in person who has been duly appointed by one or more shareholders has one vote, but a proxy has one vote for and one vote against a resolution if, in certain circumstances, the proxy is instructed by more than one shareholder to vote in different ways on a resolution. On a poll, each shareholder present in person or by proxy or, in the case of a corporation, by a duly authorized representative has one vote for each share held by the shareholder.

The holders of ADSs are entitled to one vote per ADS on all matters that are subject to shareholder vote. If you are an ADS holder and have submitted your ADS voting instructions card in time and in compliance with the ADS voting instructions, The Bank of New York Mellon Corporation will attend the Meeting (either in person or by appointing a proxy) and vote the ordinary shares underlying your ADSs as directed by you in accordance with your ADS voting instructions card.

How do you solicit proxies?

At our discretion, we may engage a proxy solicitation firm to assist us with the solicitation process, for which we will bear the costs of any such engagement. The initial solicitation of proxies may be supplemented by additional mail communications and by telephone, fax, e-mail, internet and personal solicitation by our directors, officers or other employees. No additional compensation for soliciting proxies will be paid to our directors, officers or other employees for their proxy solicitation efforts. We also reimburse The Bank of New York Mellon Corporation for their expenses in sending materials, including ADS voting instruction cards, to ADS holders of record.

What do I do if I receive more than one notice or form of proxy?

If you hold your ordinary shares or your ADSs in more than one account, you will receive a form of proxy or an ADS voting instruction card (as applicable) for each account. To ensure that all of your shares or ADSs are voted, please sign, date and return all proxy forms or ADS voting instruction cards (as applicable). Please be sure to vote all of your shares or ADSs.

What is Computershare's role?

Computershare is our registrar and has been engaged to tabulate shareholder votes in connection with the Meeting. All communications concerning ordinary shareholder of record accounts, including address changes, name changes, ordinary share transfer requirements and similar issues can be handled by contacting Computershare by telephone or by writing to Computershare, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom.

How can I find out the results of the voting at the Meeting?

ELECTION OF DIRECTORS

Our Board of Directors currently consists of seven members. In accordance with the terms of our Articles of Association, our Board of Directors is divided into three classes, Class I, Class II and Class III, with members of each class serving staggered three-year terms. The members of the classes are divided as follows:

- the Class I directors are Pierre A. Morgon and Joseph C. F. Scheeren and their terms will expire at the annual general meeting to be held in 2025;
- the Class II directors are Karen T. Dawes and Anne M. Phillips, and their terms will expire at the annual general meeting to be held in 2023; and
- the Class III directors are William Enright, Alex Hammacher and Robin Wright, and their terms will expire at the annual general meeting to be held in 2024.

Upon the expiration of the term of a class of directors, directors in that class will be eligible to be elected for a new three-year term at the annual general meeting in the year in which their term expires.

Our Board of Directors has nominated Karen T. Dawes and Anne M. Phillips for election as the Class II directors at the Meeting. The nominees are presently directors and have indicated a willingness to continue to serve as directors, if elected. If the nominees become unable or unwilling to serve, however, the proxies may be voted for a substitute nominee selected by our Board of Directors.

In connection with proposals 1 and 2, we set forth the biographical information for the nominees to our Board of Directors. For biographical information for the other directors see *Board of Directors and Corporate Governance*.

PROPOSAL 1—RE-ELECTION OF KAREN T. DAWES TO THE BOARD OF DIRECTORS

Karen T. Dawes is currently a member of our Board of Directors and has been nominated for re-election as a director. If elected, she will hold office from the date of her election until the 2026 annual general meeting of shareholders where she must retire by rotation and offer herself for re-election, or until her earlier death, resignation or removal. Ms. Dawes has agreed to serve if elected, and we have no reason to believe that she will be unable to serve.

Karen T. Dawes has been a member of our board of directors since February 2021. Ms. Dawes is the President of Knowledgeable Decisions, LLC, a position she has held since 2003. Ms. Dawes served from 1999 to 2003 as Senior Vice President and U.S. Business Group Head for Bayer Corporation's U.S. Pharmaceuticals Group. Prior to joining Bayer, she was Senior Vice President, Global Strategic Marketing, at Wyeth LLC, a pharmaceutical company (formerly known as American Home Products). Ms. Dawes received a BA and an MA from Simmons College in English Literature and an MBA from Harvard University. We believe Ms. Dawes is qualified to serve on our board of directors because of her extensive experience with biopharmaceutical companies as well as her considerable background in the development and commercialization of pharmaceutical products.

Background to Proposal 4

The Audit Committee is solely responsible for selecting the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2023. Our Audit Committee has selected PricewaterhouseCoopers LLP (“PwC”) as our independent registered public accounting firm for the fiscal year ending December 31, 2023, and has further directed that we submit the selection of PwC for ratification by our shareholders at the Meeting. In the event this proposal does not receive the affirmative vote of the holders of a majority of the shares entitled to vote and who are present in person or represented by proxy at the Meeting, the Board of Directors may appoint an auditor to fill the vacancy. If the appointment of PwC is ratified, the Audit Committee, at its discretion, may nonetheless direct the appointment of a different independent registered public accounting firm at any time it decides that such a change would be in the best interest of the Company and its shareholders.

PwC has indicated its willingness to act as the Company’s auditors. A representative of PwC is expected to be present at the Meeting and will have an opportunity to make a statement if he or she desires to do so and to respond to appropriate questions from our shareholders.

Audit Committee Pre-Approval Policy and Procedures

The Audit Committee has adopted a policy (the “Pre-Approval Policy”) that sets forth the procedures and conditions pursuant to which audit and non-audit services proposed to be performed by the independent auditor may be pre-approved. The Pre-Approval Policy generally provides that we will not engage PwC to render any audit, audit-related, tax or permissible non-audit service unless the service is either (i) explicitly approved by the Audit Committee (“specific pre-approval”) or (ii) entered into pursuant to the pre-approval policies and procedures described in the Pre-Approval Policy (“general pre-approval”). Unless a type of service to be provided by PwC has received general pre-approval under the Pre-Approval Policy, it requires specific pre-approval by the Audit Committee. Any proposed services exceeding pre-approved cost levels or budgeted amounts will also require specific pre-approval. For both types of pre-approval, the Audit Committee will consider whether such services are consistent with the SEC’s rules on auditor independence. On an annual basis, the Audit Committee reviews and generally pre-approves the services (and related fee levels or budgeted amounts) that may be provided by PwC without first obtaining specific pre-approval from the Audit Committee. The Audit Committee may revise the list of general pre-approved services from time to time, based on subsequent determinations.

CORPORATE GOVERNANCE***Structure of our Board of Directors***

The leadership structure of our Board of Directors separates the positions of Chief Executive Officer and Chairman of the Board in order to ensure independent leadership of the Board. Our Board believes that this separation is appropriate for the Company at this time because it allows for a division of responsibilities, with our Chief Executive Officer focused on leading the Company while the Chairman can focus on leading the Board in overseeing management, and for a sharing of ideas between individuals having different perspectives.

Independence of our Board of Directors

Our Board of Directors has determined that, of our seven directors, no director, other than William Enright and Alex Hammacher, has a relationship that would interfere with the exercise of independent judgment in carrying out his or her responsibilities as a director and that each of these directors is "independent" as that term is defined under Nasdaq rules.

Our independent directors meet in regularly scheduled executive sessions at which only independent directors are present.

Board Oversight of Risk Management

Our management is primarily responsible for assessing and managing risk, while our Board of Directors is responsible for overseeing management's execution of its responsibilities. Our Board of Directors is supported by its committees in fulfillment of this responsibility. For example, our Audit Committee focuses on our overall financial risk by evaluating our internal controls and disclosure policies as well as ensuring the integrity of our financial statements and periodic reports. The Audit Committee also oversees the Company's information security and technology risks, including the Company's information security and related risk management programs. Our Compensation Committee strives to create incentives that encourage an appropriate level of risk-taking consistent with our business strategy. Our Nominating and Corporate Governance Committee ensures that our governance policies and procedures are appropriate in light of the risks we face.

Family Relationships and Adverse Proceedings

There are no family relationships among any of our directors or executive officers. Neither we nor any of our subsidiaries are party to any material proceedings to which any of our directors, officers, affiliates,

5% or more shareholders, or any of their respective associates are a party. We do not believe that any of our directors, officers, affiliates, 5% or more shareholders, or any of their respective associates are adverse to us or any of our subsidiaries or have a material interest that is adverse to us or any of our subsidiaries.

Environmental, Social and Governance

As we continue to grow, we intend to improve our overall environmental, social, and governance (“ESG”) efforts. In 2022, we assigned responsibilities for ESG to the Nominating and Governance Committee who were tasked with performing an assessment of our ESG impacts and establishing initiatives. Following this assessment, we have created specific goals and objectives to monitor and improve specific metrics. These include:

1. Environmental — what impact does Vaccitech have on the environment, to include carbon footprint reporting for new facilities.
2. Social — What impact does Vaccitech have on society, to include impact on life-saving products development, impact in low and middle income countries, clinical trial diversity and employee morale and turnover.
3. Corporate Governance — how is the company run, to include diversity and inclusion within the company and the board of directors, board independence and the ratio of executive compensation to employee compensation.

COMMITTEES OF OUR BOARD OF DIRECTORS

Our Board of Directors has three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. The charters for each of these committees can be found on our website at www.vaccitech.co.uk, under the “Corporate Governance” subsection of the “Investors” section. Each such committee reviews its respective charter at least annually.

Audit Committee

Our Audit Committee is currently composed of Karen T. Dawes, Pierre A. Morgon and Robin Wright, and is chaired by Mr. Wright. Our Board of Directors has determined that each member of the Audit Committee meets the independence requirements of Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and the applicable Nasdaq rules. All members of our audit committee meet the requirements for financial literacy under the applicable rules and regulations of the SEC and the Nasdaq listing rules. Our Board of Directors has determined that Mr. Wright is an “audit committee financial expert” within the meaning of SEC regulations and the applicable Nasdaq rules. The Audit Committee held 4 meetings during 2022. The Audit Committee’s responsibilities include:

- recommending the appointment of the independent auditor to the general meeting of shareholders;
- the appointment, compensation, retention and oversight of any accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit services;

- pre-approving the audit services and non-audit services to be provided by our independent auditor before the auditor is engaged to render such services;
- evaluating the independent auditor’s qualifications, performance and independence, and presenting its conclusions to the full board of directors on at least an annual basis;
- reviewing the adequacy of our internal controls with management and any remediation plan associated with any significant control deficiencies or material weaknesses;
- reviewing and discussing with management and our independent registered public accounting firm our financial statements and our financial reporting process; and reviewing, approving or ratifying any related party transactions.

Compensation Committee

Our Compensation Committee is currently composed of Anne M. Phillips, Robin Wright and Joseph C. F. Scheeren, and is chaired by Dr. Phillips. Our Board of Directors has determined that each member of the Compensation Committee is “independent” as defined in the applicable Nasdaq rules. Each member of our Compensation Committee is a non-employee director, as defined in Rule 16b-3 promulgated under the Exchange Act. The Compensation Committee held 3 meetings during 2022. The Compensation Committee’s responsibilities include:

- annually reviewing and approving the corporate goals and objectives relevant to the compensation of our Chief Executive Officer;
- evaluating the performance of our Chief Executive Officer in light of such corporate goals and objectives and based on such evaluation determine and approve the Chief Executive Officer’s compensation;
- reviewing and approving the compensation of our other executive officers;
- reviewing and establishing our overall management compensation, philosophy and policy;
- overseeing and administering our compensation and similar plans;
- evaluating and assessing potential and current compensation advisors in accordance with the independence standards identified in the applicable Nasdaq rules;
- reviewing and recommending to the board of directors our policies and procedures for the grant of equity-based awards;
- reviewing and recommending to the board of directors the compensation of our directors;
- preparing our compensation committee report if and when required by SEC rules;
- reviewing and discussing annually with management our “Compensation Discussion and Analysis,” if and when required, to be included in our annual proxy statement; and
- reviewing and approving the retention or termination of any consulting firm or outside advisor to assist in the evaluation of compensation matters.

Our Board of Directors has delegated to the Compensation Committee the authority to determine the compensation for all of our executive officers. Non-executive director compensation is recommended by our Compensation Committee to the Board of Directors for approval. Our Chief Executive Officer may participate in general discussions with our Compensation Committee and Board of Directors about these compensation matters but he does not participate in discussions during which his individual compensation is being considered and approved.

In 2022, the Compensation Committee retained the services of Radford, which is part of the Rewards Solutions practice at Aon plc, an independent compensation consultant, to assist the Compensation Committee with respect to compensation actions in 2022 with the goal of ensuring that our compensation arrangements for our Chief Executive Officer, our other senior executive officers and our non-executive directors were competitive. Radford provided data from comparable publicly traded biotechnology companies and otherwise assisted the Compensation Committee in its design of competitive compensation

for our Chief Executive Officer, senior executives and non-executive directors. The Compensation Committee expects to continue to use compensation consultants to assist the Compensation Committee in determining competitive levels of executive and non-executive compensation and specific design elements of our executive compensation program and non-executive directors' compensation program. The Compensation Committee continued to retain Radford through 2022 and 2023 in order to ensure that our compensation arrangements are competitive for 2023. After review and consultation with Radford, the Compensation Committee determined that Radford is independent and that there is no conflict of interest resulting from retaining Radford in 2022 or in 2023. In reaching these conclusions, our Compensation Committee considered the factors set forth in the SEC rules and the applicable Nasdaq rules.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is composed of Pierre A. Morgon, Karen T. Dawes and Joseph C. F. Scheeren, which is chaired by Mr. Morgon. Our Board of Directors has determined that each member of the Nominating and Corporate Governance Committee is "independent" as defined under the applicable Nasdaq rules. The Nominating and Corporate Governance Committee held 1 meeting during 2022. The Nominating and Corporate Governance Committee's responsibilities include:

- determining selection criteria and appointment procedures for directors;
- recommending nominees for election to our board of directors and appointment to its committees;
- assessing the functioning of our board of directors and executive officers and reporting the results of such assessment to the board of directors; and
- developing corporate governance guidelines and any other governance policies, including ESG.

The Nominating and Corporate Governance Committee considers candidates for Board of Director membership suggested by its members and the Chief Executive Officer. Additionally, in selecting nominees for directors, the Nominating and Corporate Governance Committee will review candidates recommended by shareholders in the same manner and using the same general criteria as candidates recruited by the committee and/or recommended by our Board of Directors. Any shareholder who wishes to recommend a candidate for consideration by the committee as a nominee for director should follow the procedures described later in this proxy statement under the heading *Additional Information — Shareholder Proposals for 2024 Annual General Meeting*.

Our Board of Directors is responsible for filling vacancies on our Board of Directors and for nominating candidates for election by our shareholders each year in the class of directors whose term expires at the relevant annual general meeting. The Board of Directors delegates the selection and nomination process to the Nominating and Corporate Governance Committee, with the expectation that other members of the Board of Directors, and of management, will be requested to take part in the process as appropriate.

Director Nomination Process

The process followed by our Nominating and Corporate Governance Committee to identify and evaluate director candidates includes requests to board members and others for recommendations, including through the use of search firms or other advisors, meetings from time to time to evaluate biographical information and background material relating to potential candidates, and interviews of selected candidates by management, recruiters, members of the committee and our Board.

Once candidates have been identified, the Nominating and Corporate Governance Committee confirms that the candidates meet all of the minimum qualifications for director nominees established by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee may gather information about the candidates through interviews, detailed questionnaires, comprehensive background checks or any other means that the Nominating and Corporate Governance Committee deems to be appropriate in the evaluation process. The Nominating and Corporate Governance Committee then meets as a group to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of our Board of Directors. Based on the results of the evaluation process, the Nominating and Corporate Governance Committee recommends candidates for the Board of Directors' approval to fill a vacancy or as director nominees for

election to the Board of Directors by our shareholders each year in the class of directors whose term expires at the relevant annual general meeting.

The qualifications, qualities and skills that our Nominating and Corporate Governance Committee believes must be met by a committee-recommended nominee for a position on our Board of Directors are as follows:

- the nominee shall have experience at a strategic or policymaking level in a business, government, non-profit or academic organization of high standing;
- the nominee shall be highly accomplished in his or her respective field, with superior credentials and recognition;
- the nominee shall be well regarded in the community and shall have a long-term reputation for the high ethical and moral standards;
- the nominee shall have sufficient time and availability to devote to the affairs of the Company, particularly in light of the number of boards of directors on which such nominee may serve;
- to the extent such nominee serves or has previously served on other boards, the nominee shall have a demonstrated history of actively contributing at board meetings.

We have no formal policy regarding board diversity. Our priority in selection of board members is identification of members who will further the interests of our shareholders through consideration of a number of facts and circumstances, including among other things, the skills of the prospective director candidate, his or her depth and breadth of business experience or other background characteristics, his or her independence and the needs of the Board of Directors.

Shareholder Recommendations and Nominees

Our Nominating and Corporate Governance Committee considers both recommendations and nominations for candidates to the Board from shareholders so long as such recommendations and nominations comply with our Articles of Association and applicable laws, including the rules and regulations of the SEC. Shareholders may recommend director nominees for consideration by the Nominating and Corporate Governance Committee by writing to our Company Secretary at the address below, or the Company's registered office from time to time, and providing evidence of the shareholder's ownership of our ordinary shares and/or ADSs, the nominee's name, home and business address, as well as the nominee's detailed biographical data and qualifications for board membership, and information regarding any arrangements or understandings between the shareholder and the recommended candidate.

Following verification of the shareholder status of the person submitting the recommendation, all properly submitted recommendations will be promptly brought to the attention of the Nominating and Corporate Governance Committee. Shareholders who desire to nominate persons directly for election to the Board at an annual general meeting of shareholders must meet the deadlines and other requirements set forth under *Additional Information — Shareholder Proposals for 2024 Annual General Meeting*. Any vacancies on the Board of Directors occurring between our annual general meetings of shareholders may be filled by persons selected by a majority of the directors then in office, in which case any director so elected will serve until the next annual general meeting of shareholders when such director will offer himself/herself for re-election, or by persons elected by an ordinary resolution of the shareholders of the Company.

Shareholder Communication with the Board of Directors

Any interested party with concerns about our Company may report such concerns to the Board of Directors or the Chair of our Board of Directors. Communications may be addressed to the entire Board of Directors or to any individual director. All such communications will initially be received and processed by our Company Secretary. Spam, junk mail, advertisements and threatening, hostile, illegal and similar unsuitable communications will not be delivered to the Board of Directors. Shareholders can contact members of the Board of Directors by writing care of our Company Secretary at the Company’s registered office address.

A copy of any such written communication may also be forwarded to our legal counsel and a copy of such communication may be retained for a reasonable period of time. The director may discuss the matter with our legal counsel, with independent advisors, with non-management directors, or with our management, or may take other action or no action as the director determines in good faith, using reasonable judgment, and applying his or her own discretion.

Communications may be forwarded to other directors if they relate to important substantive matters and include suggestions or comments that may be important for other directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances, and matters as to which we tend to receive repetitive or duplicative communications.

The Audit Committee oversees the procedures for the receipt, retention, and treatment of complaints received by us regarding accounting, internal accounting controls, or audit matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting, internal accounting controls or auditing matters. We have established a toll-free telephone number for the reporting of such activity, which is +1 877-763-1749 and a compliance hotline, which is <https://www.whistleblowerservices.com/vaccitech>.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table and related footnotes set forth information with respect to the beneficial ownership of our ordinary shares, as of March 24, 2023, by:

- each beneficial owner of 5% or more of our outstanding ordinary shares;
- each of our named executive officers and directors; and
- all of our executive officers and directors as a group.

Beneficial ownership is determined in accordance with the rules and regulations of the SEC. Under these rules, beneficial ownership includes any shares as to which a person has sole or shared voting power or investment power. In computing the number of ordinary shares beneficially owned by a person and the percentage ownership of that person, ordinary shares subject to options, or other rights held by such person that are currently exercisable or will become exercisable within 60 days of March 24, 2023 are considered outstanding. These ordinary shares, however, are not included in the computation of the percentage ownership of any other person. Applicable percentage ownership is based on 38,348,732 ordinary shares outstanding as of March 24, 2023.

Except as otherwise indicated, all of the shares reflected in the table are ordinary shares and all persons listed below have sole voting and investment power with respect to the shares beneficially owned by them, subject to applicable community property laws. The information is not necessarily indicative of beneficial ownership for any other purpose.

Except as otherwise indicated in the table below, addresses of the directors, executive officers and named beneficial owners are in care of Vaccitech plc, Unit 6-10, Zeus Building, Rutherford Avenue, Harwell, Didcot OX11 0DF, United Kingdom.

CERTAIN RELATIONSHIPS AND TRANSACTIONS WITH RELATED PERSONS

Other than the compensation arrangements described below under the sections *Director Compensation* and *Executive Officers of the Company* and the transactions described below, in the period from January 1, 2022 through the date of this proxy statement, we were not a party to any transactions between us and certain “related persons”, which are generally considered to be our executive officers, directors, director nominees or 5% shareholders, or their immediate family members.

Lease agreement

In March 2019, we formalized a lease agreement with Oxford Science Enterprises plc, or OSE, a greater than 5% beneficial owner of our voting securities, pursuant to which we leased our corporate headquarters beginning in May 2018. On July 31, 2022 the lease was terminated. We paid OSE \$126 thousand for annual rent and service charges through to the termination date.

Sale of property plant and equipment

In connection with the lease termination in July 2022, we received proceeds to \$368 thousand from the sale of property plant and equipment to OSE.

License revenue

In April 2020, we entered into the OUI License Agreement Amendment with Oxford University Innovation Limited, or OUI, in respect of our rights to the ChAdOx1 technology in COVID-19 vaccines to facilitate the license of those rights by OUI to AstraZeneca. Under this agreement, we are entitled to receive from OUI a share of payments, including royalties and milestones, received by OUI from AstraZeneca in respect of sales of Vaxzevria. During the year ended December 31, 2022, we recognized \$43.7 million in revenue and the Company was owed \$5.5 million from OUI as of December 31, 2022.

Agreements with our Executive Officers

We have entered into employment agreements with certain of our executive officers. These agreements contain customary provisions and representations, including confidentiality, non-competition, non-solicitation and inventions assignment undertakings by the executive officers and non-executive directors. The enforceability of the non-competition provisions may be limited under applicable law.

Indemnification Agreements

We have entered into a deed of indemnity with each of our directors and executive officers. These agreements and our Articles of Association require us to indemnify our directors and executive officers to the fullest extent permitted by law.

Related Party Transactions Policy

We have adopted a written related party transactions policy that provides that such transactions must be approved by our Audit Committee. Pursuant to this policy, the Audit Committee has the primary responsibility for reviewing and approving or disapproving “related party transactions,” which are transactions between us and related persons in which the aggregate amount involved exceeds or may be expected to exceed \$120,000 and in which a related person has or will have a direct or indirect material interest. For purposes of this policy, a related person is defined as a director, executive officer, nominee for director, or greater than 5% beneficial owner of our common shares, in each case since the beginning of the most recently completed year, and their immediate family members.

For the fiscal year ended December 31, 2022, each named executive officer was eligible to earn an annual cash bonus calculated as a percentage of each executive’s base salary and based on the achievement of corporate performance metrics. The amounts for performance for 2022 is set forth above in the *Summary Compensation Table*.

Long-Term Equity Incentives

Although we do not yet have a formal policy with respect to the grant of equity incentive awards to our executive officers, we believe that equity grants provide our executives with a strong link to our long-term performance, create an ownership culture and help to align the interests of our executives and our shareholders. In addition, we believe that equity grants promote executive retention because they incentivize our executive officers to remain in our employment during the vesting period. Accordingly, our board of directors periodically reviews the equity incentive compensation of our named executive officers and may grant equity incentive awards to them from time to time. Equity awards granted during fiscal year 2022 are set forth below in the *Outstanding Equity Awards at Fiscal Year-End* table.

Thomas Evans, MD. We entered into a new employment agreement with Dr. Evans effective upon the closing of our IPO in May 2021. Pursuant to this employment agreement, Dr. Evans continued to serve as our chief scientific officer. Dr. Evans was entitled to an annual base salary, subject to periodic review, target annual bonus opportunity and employee benefits. Under this employment agreement, in the event that Dr. Evans' employment had been terminated by us without "cause" or Dr. Evans resigned for "good reason" (as such terms are defined in the employment agreement), subject to the execution and effectiveness of a separation agreement, including a general release of claims in our favor, he would have been entitled to receive (i) an amount equal to nine months of his base salary, payable over the nine month period following his termination, and (ii) if Dr. Evans had been participating in our group health plans immediately prior to his termination and elected COBRA health continuation, continuation of such group health coverage at the same rate as if he were an active employee, until the earliest of (A) the nine month anniversary of his termination; (B) his eligibility for group medical plan benefits under any other employer's group medical plan; or (C) the cessation of her continuation rights under COBRA. The employment agreement also provided that, in lieu of the payments and benefits described above, in the event that Dr. Evans' employment had been terminated by us without cause or Dr. Evans resigned for good reason, in either case within 12 months following a "change in control" (as defined in the employment agreement), subject to the execution and effectiveness of a general release of claims in our favor, he would have been entitled to receive (i) a lump sum cash payment equal to one times the sum of his then-current base salary (or his base salary in effect immediately prior to the change in control, if higher) plus his annual target bonus for the then-current year (or the annual target bonus in effect immediately prior to the change in control, if higher), and (ii) if Dr. Evans had been participating in our group health plans immediately prior to his termination and elected COBRA health continuation, continuation of such group health coverage at the same rate as if he were an active employee, until the earliest of (A) the 12 month anniversary of his termination; (B) his eligibility for group medical plan benefits under any other employer's group medical plan; or (C) the cessation of his continuation rights under COBRA. Dr. Evans' employment agreement further provided that in the event Dr. Evans' employment had been terminated by us without cause or Dr. Evans resigned for good reason, in either case within 12 months following a change in control, then any outstanding time-based equity awards would have immediately accelerate and become fully vested and exercisable or nonforfeitable on the date of termination.

Dr. Evans retired as Chief Scientific Officer effective February 1, 2023, but has agreed to provide continued service as a scientific advisor. We entered into a consultancy agreement with Dr. Evans effective from February 2023 to January 2024, under which Dr. Evans is providing certain consulting and related services to the Company as an independent contractor. Pursuant to this consultancy agreement, Dr. Evans will be paid a fee of \$250 per hour for his services. The Company may terminate the consultancy agreement with immediate effect if Dr. Evans materially breaches his obligations under the agreement, or willfully neglects to provide or fails to remedy any default in the provision of services under the agreement, other than as a result of illness or accident and after notice in writing.

Dr. Evans is also subject to an agreement relating to confidentiality, assignment of inventions, and a one-year non-solicitation and non-competition covenant.

Prohibition on Hedging and/or Pledging our Common Stock

Certain transactions in our securities (such as purchases and sales of publicly traded put and call options, and short sales) create a heightened compliance risk or could create the appearance of misalignment between management and stockholders. In addition, securities held in a margin account or pledged as collateral may be sold without consent if the owner fails to meet a margin call or defaults on the loan, thus

creating the risk that a sale may occur at a time when an officer or director is aware of material, non-public information or otherwise is not permitted to trade in Company securities. Our insider trading policy allows our directors, officers, vice-president level or above employees, and members of the finance department involved in periodic financial reporting to pledge Company securities as collateral for a loan (or modify an existing pledge) only if the pledge has been approved by the Audit Committee.

AUDIT COMMITTEE REPORT

The Audit Committee oversees the accounting and financial reporting processes of Vaccitech plc (the “Company”) and the audits of the Company’s financial statements, evaluates auditor performance, manages relations with the Company’s independent registered public accounting firm and evaluates policies and procedures relating to internal control systems. The Audit Committee operates under a written Audit Committee charter that has been adopted by the Board of Directors of the Company (the “Board”). All members of the Audit Committee currently meet the independence and qualification standards for Audit Committee membership set forth in the listing standards provided by the Nasdaq Stock Market LLC and the U.S. Securities and Exchange Commission (“SEC”), and the Board has determined that Mr. Wright is an “audit committee financial expert,” as the SEC has defined that term in Item 407 of Regulation S-K.

The Audit Committee members are not professional accountants or auditors. The members’ functions are not intended to duplicate or to certify the activities of management and the independent registered public accounting firm. The Audit Committee serves a board-level oversight role in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors, and the experience of the Audit Committee’s members in business, financial and accounting matters.

The Audit Committee oversees the Company’s financial reporting process on behalf of the Board. The Company’s management has the primary responsibility for the financial statements and reporting process, including the Company’s system of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed with management the audited financial statements included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2022. This review included a discussion of the quality and the acceptability of the Company’s financial reporting, including the nature and extent of disclosures in the financial statements and the accompanying notes. The Audit Committee also reviewed the progress and results of the testing of the design and effectiveness of its internal controls over financial reporting pursuant to Section 404 of the Sarbanes-Oxley Act of 2002.

The Audit Committee also reviewed with PricewaterhouseCoopers LLP (“PwC”), our independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of the audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality and the acceptability of the Company’s financial reporting and discussed the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board and the SEC.

The Audit Committee has received the written disclosures and the letter from PwC required by the applicable requirements of the Public Company Accounting Oversight Board regarding the PwC’s communications with the Audit Committee concerning independence and has discussed with PwC their independence.

In addition to the matters specified above, the Audit Committee discussed with PwC the overall scope, plans and estimated costs of their audit. The Audit Committee met with PwC periodically, with and without management present, to discuss the results of PwC’s examinations, the overall quality of the Company’s financial reporting and PwC’s reviews of the quarterly financial statements, and drafts of the quarterly and annual reports.

In reliance on the reviews and discussions referred to above, and subject to the limitations of the Audit Committee’s role and responsibilities referred to above and in the Audit Committee charter, the Audit Committee recommended to the Board that the Company’s audited financial statements should be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2022.

A copy of our U.K. statutory directors' compensation report, including the annual report on compensation, is included as Annex A to this proxy statement. A complete copy of our U.K. statutory annual accounts and reports, including the statutory Board of Directors report, strategic report, and auditor's report on our U.K. accounts will be sent separately to you no less than 21 days prior to the AGM. Shareholders' Rights to Call a General Meeting

Our shareholders have the right to call a meeting of our shareholders. The U.K. Companies Act 2006 generally requires the directors to call a general meeting once we have received requests to do so from shareholders representing at least 5% of our paid-up shares entitled to vote at a general meeting. The U.K. Companies Act 2006 generally prohibits shareholders of a U.K. public limited company from passing written resolutions. However, significant shareholders would, in any case, still have the power to call a general meeting and propose resolutions. These provisions are mandatory under the U.K. Companies Act 2006 and cannot be waived by our shareholders.

Shareholder Proposals for 2024 Annual General Meeting

Pursuant to Rule 14a-8 under the Exchange Act, in order to be considered for inclusion in our proxy statement for our 2024 annual general meeting of shareholders, shareholder proposals must be received by the Company at the Office of the Company Secretary, Unit 6-10, Zeus Building, Rutherford Avenue, Harwell, Didcot OX11 0DF, United Kingdom no later than December 28, 2023, which is 120 calendar days before the anniversary of the date on which our proxy statement was released to shareholders in connection with the previous year's annual general meeting. However, if the date of such annual general meeting is more than 30 calendar days from the date of the anniversary of the AGM, then the notice must be received by our Company Secretary a reasonable time before we begin to print and send our proxy materials for the 2024 annual general meeting of shareholders. To comply with the universal proxy rules (once effective), shareholders who intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than January 26, 2024.

If a shareholder wishes to present a proposal at an annual general meeting but does not wish to have the proposal considered for inclusion in our proxy statement and proxy card, such shareholder proposal must be received by the Company at the Office of the Company Secretary, Unit 6-10, Zeus Building, Rutherford Avenue, Harwell, Didcot OX11 0DF, United Kingdom no later than 45 days before the anniversary of the date on which the Company first mailed its proxy materials for the prior year's annual general meeting. However, if the date of the annual general meeting is changed by more than 30 calendar days from the date of the anniversary of the prior year's annual general meeting, the notice must be received by our Company Secretary within a reasonable time before we begin to print and send our proxy materials with respect to such annual general meeting. If a shareholder does not timely provide notice as described above, proxies solicited on behalf of our management for such annual general meeting will confer discretionary authority to vote with respect to any such matter, as permitted by the proxy rules of the SEC. Under section 338 of the U.K. Companies Act 2006, shareholders representing at least 5% of holders entitled to vote on a resolution at an annual general meeting may require the Company to include such resolution in its notice of an annual general meeting. Provided the applicable thresholds are met, notice of the resolution must be received by the Company at the Office of the Company Secretary, Unit 6-10, Zeus Building,

Rutherford Avenue, Harwell, Didcot OX11 0DF, United Kingdom at least six weeks prior to the date of the annual general meeting, or, if later, at the time notice of the annual general meeting is delivered to shareholders.

This proxy is solicited by the Board of Directors**

DIRECTORS' COMPENSATION REPORT**Annual Statement from the Chair of the Compensation Committee**

This Report has been prepared in accordance with the relevant UK regulations (Schedule 8 to The Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008 (as amended)) and consists of:

- The Directors' Compensation Policy (the "Policy") was approved at the 2022 Annual General Meeting on 15 June 2022, and took binding effect from that date. The Policy continues to apply to all Executive Directors of the Company, currently only the Chief Executive Officer, and all Non-Executive Directors, including the Chair of the Board. No changes to the Policy have been proposed for the 2023 Annual General Meeting. The Policy will require shareholder approval on the earlier of the third anniversary, or when a change is made to the Policy.
- The Annual Compensation Report which provides disclosures in relation to Directors' compensation for the year ended 31 December 2022 and our approach to compensation for 2023. This will be subject to an advisory shareholder vote at the 2023 Annual General Meeting.

Compensation arrangements for Directors of the Company are determined by the Compensation Committee (the "Committee") and are generally based on US standards and market conditions. Compensation arrangements are also disclosed in detail in the Compensation Discussion & Analysis section of the Company's Proxy Statement, which is provided in line with relevant US regulations.

In respect of the year ended 31 December 2022, the Committee determined the annual cash bonus for the Chief Executive Officer taking into account performance against corporate objectives as well as overall performance of the Company in the year. Highlights of business performance in the year are set out elsewhere in this Annual Report and Financial Statements. The Committee also approved the grant of a number of equity-based awards to Directors during the year, full details of which are provided within this Report. Overall, the Committee was satisfied that outcomes reflected performance in the year and no further discretion was exercised.

Dr. Anne Phillips
Chair of the Compensation Committee

Directors' Compensation Policy

This part of the Directors' Compensation Report sets out the Company's Directors' Compensation Policy (the "Policy"), which was approved at the 2022 Annual General Meeting, held on 15 June 2022, and effective from that date. It is intended that the Policy will apply for three years.

The Policy is determined by the Committee taking into account the attraction and retention of key management personnel, the motivation of management to achieve the Company's corporate goals and strategies, and the alignment of the interests of management with the long-term interests of the Company's shareholders. In determining compensation policies and practices, the Committee follows a robust process taking into account the views of relevant stakeholders, whilst ensuring that any conflicts of interest are suitably managed. This is the first Policy voted on by the Company's shareholders, following the Company's initial public offering of ADSs on The NASDAQ Global Market in May 2021.

Explanation of performance measures

The Committee determines performance measures that are appropriately stretching and linked to the delivery of the Company’s strategy. For the annual cash bonus, the Committee reviews and sets performance measures and targets at the start of each year based on the key strategic priorities and objectives of the business at that time.

No performance measures currently apply to equity awards. It is considered that the vesting and, where relevant, exercise period as well as delivery in shares provides alignment to the long-term success of the business. The Committee may determine that performance conditions apply to future awards. If this were to be the case, performance conditions would be determined by the Committee to support the Company’s long-term strategy and sustainable value creation.

The Committee may vary or substitute any performance measure if an event occurs which causes it to determine that it would be appropriate to do so (including to take account of acquisitions or divestments, a

change in strategy or a change in prevailing market conditions), provided that any such variation or substitution is fair and reasonable and, in the opinion of the Committee, the change would not make the measure less demanding than the original measure would have been but for the event in question. If the Committee were to make such a variation, an explanation would be given in the next Directors' Compensation Report.

Committee discretion

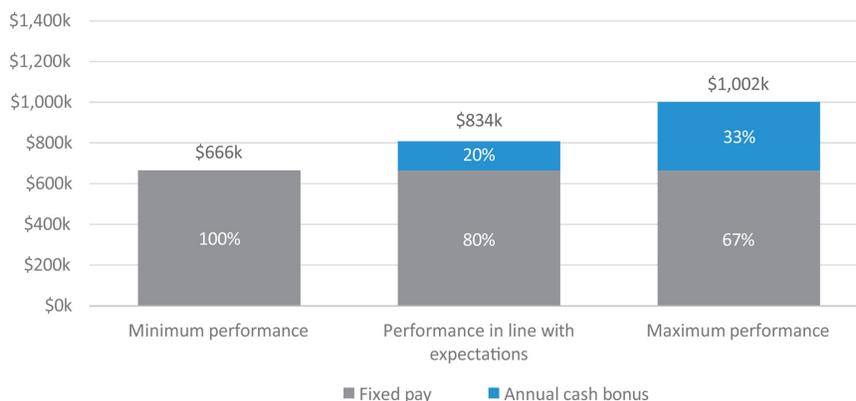

The Committee operates under powers delegated to it by the Board. In addition, it complies with rules that are either subject to shareholder or Board approval. The Committee has discretion in several areas of the Policy, which serves to ensure that the implementation of the compensation policy is fair, both to shareholders and the individual Director. Where appropriate, the extent of such discretion is set out in the relevant rules and Policy and it also includes certain aspects of the operation and administration of the incentive arrangements in which Directors participate, including the award and payment of any annual cash bonus and the grant and associated terms and conditions of any equity awards. Use of any discretion in relation to equity awards will be in accordance with the terms of the relevant plan and subject to any relevant legislation.

The Committee reserves the right to make any compensation payments and/or payments for loss of office (including exercising any discretions available to it in connection with such payments) notwithstanding that they are not in line with the Policy where the terms of the payment were agreed (i) before the Company's first shareholder-approved Directors' Compensation Policy came into effect; or (ii) at a time when the relevant individual was not a Director of the Company and, in the opinion of the Committee, the payment was not in consideration for the individual becoming a Director of the Company. For these purposes "payments" includes the Committee satisfying awards of variable compensation and, in relation to an equity award, the terms of the payment are "agreed" at the time the award is granted.

The Committee may make minor amendments to the Policy (for regulatory, exchange control, tax or administrative purposes or to take account of a change in legislation) without obtaining shareholder approval.

Illustrations of application of Compensation Policy

The following chart provide an illustration, for the Chief Executive Officer (currently the only Executive Director), of the application of the Policy for the year ending 31 December 2023. The chart shows the split of compensation between fixed pay and the annual cash bonus on the basis of minimum compensation, compensation receivable for performance in line with Company expectations and maximum compensation. The bar chart below does not include any value for equity-based award compensation. We do not believe it possible to reasonably quantify the value that might result from outstanding options and other equity based awards.

	<u>Fixed pay</u>	<u>Annual cash bonus</u>
Minimum performance	Base salary (being the latest known salary as of 1 January 2023), retirement benefits (being participation in the 401(k) Plan) and benefits (being the annualised value of those disclosed in the single figure table for the financial year ended 31 December 2022).	No bonus
Performance in line with expectations		Cash bonus equal to 27.5% of salary
Maximum performance		Cash bonus equal to 55% of salary

Approach to compensation on recruitment

When hiring a new Executive Director, the Committee will typically align the compensation package with the policy table above taking into account the skills, experience and country of residence of the relevant individual as well as broader considerations such as market competitiveness. The Committee may however include other elements of compensation, as described below, which it considers appropriate.

Base salary will be set at a level appropriate to the role and the experience of the Executive Director being appointed. This may include agreement on future increases, in line with increased experience and / or responsibilities, subject to satisfactory performance, where it is considered appropriate. Benefits, including retirement benefits, will be provided in line with the policy table above and to reflect the local market. Where an Executive Director is required to relocate in order to take up the position, relocation benefits may be provided.

The maximum annual cash bonus will be in line with the approach outlined in the policy table above. Any equity award will be granted at the discretion of the Committee and in line with the policy table above.

In addition to the above, the Committee may make payments or awards to a new Executive Director to replace compensation arrangements forfeited in connection with leaving a previous employer (“replacement awards”). The Committee may, at its discretion, deem it appropriate to make an additional recruitment award (payable in either cash or equity) to a new Executive Director in order to attract an individual of the required calibre. Such a recruitment award would be subject to such terms and conditions as the Committee determines.

The maximum level of variable compensation that may be awarded on an ongoing basis to a new Executive Director (including the annual cash bonus and any equity awards) would be determined by the Committee on appointment. This would not include any amounts paid in relation to replacement awards or recruitment awards, which would be determined at the discretion of the Committee.

Where a position is filled internally, any ongoing compensation obligations or outstanding variable compensation will continue to be honoured in accordance with their terms.

Compensation for a newly appointed Non-Executive Director will be in line with the policy table above. In terms of equity awards, the Initial Grant will be made upon their election to the Board.

Service contracts and policy on payments for loss of office

Service contracts and letters of appointment are available for inspection at the Company’s registered office.

Non-Executive Directors

All Non-Executive Directors have letters of appointment with the Company which, subject to annual re-election by the Company’s shareholders at the AGM, provides for an initial tenure of office of three years

from the date of commencement (the “Initial Period”). Thereafter, tenure of office shall continue until terminated on one month’s notice by either the Non- Executive Director or the Company.

<u>Non-Executive Director</u>	<u>Service agreement Commencement Date</u>	<u>Appointment date</u>	<u>Unexpired tenure as at 31 December 2022</u>
Robin Wright	2 August 2018	31 March 2021	Rolling period on reappointment
Karen Dawes	1 March 2021	31 March 2021	Rolling period on reappointment
Alex Hammacher	31 December 2019	31 March 2021	Rolling period on reappointment
Dr. Anne Phillips	1 March 2021	31 March 2021	Rolling period on reappointment
Pierre A Morgon	4 December 2017	31 March 2021 Reappointed on 15 June 2022	Rolling period on reappointment
Dr. Joseph Scheeren	22 March 2021	31 March 2021 Reappointed on 15 June 2022	Rolling period on reappointment

On termination of appointment, a Non-Executive Director will not be entitled to any compensation for loss of office save that in the event their tenure of office is terminated by the Company (other than in certain circumstances including those related to gross misconduct and a material breach of the terms of their letter of appointment) at a date earlier than the Initial Period. In such circumstances, a Non-Executive Director would normally be entitled to the continued payment of their fees, on the same basis had they continued in office until the end of the Initial Period.

Equity awards to Non-Executive Directors vest subject to continued service as a director. Therefore, on termination of appointment, any unvested equity awards granted to a Non-Executive Director would lapse. The exercise period for any vested but unexercised options would be reduced, unless otherwise determined, to twelve months from the date of cessation of office.

Executive Directors

Executive Directors typically have employment agreements under which, other than by termination in accordance with the terms of these agreements, employment continues indefinitely. The notice period for Executive Directors would not exceed twelve months.

Mr. William Enright is the only current Executive Director. He entered into a service agreement with the Company on 12 April 2021 and was appointed as Executive Director on 22 March 2021.

Generally, in the event of termination of employment, an Executive Directors’ service agreement would provide for continued payment of base salary and benefits for the duration of the notice period. The Company may elect to make a payment in lieu of notice, either in monthly instalments or as a lump sum, equivalent in value to base salary and benefits for any unexpired portion of the notice period.

In addition, in the case of Mr. William Enright, his employment agreement provides that if he is participating in the group health plans immediately prior to his termination and elects the Consolidated Omnibus Budget Reconciliation Act (“COBRA”) health continuation, continuation of such group health coverage will be at the same rate as if he were an active employee, until the earliest of (i) the twelve month anniversary of his termination; (ii) he becomes eligible for group medical plan benefits under any other employer’s group medical plan; or (iii) the cessation of his continuation rights under COBRA.

In respect of any variable compensation, treatment on termination of employment would be as set out below. Equity awards would be treated in accordance with the rules of the relevant plan.

Annual cash bonus	<p>Payment of any bonus will be determined by the Committee taking into account the terms of the relevant employment agreement. Payment will also consider the circumstances of the relevant individual's departure and contribution to the business during the relevant financial year as well as their time in role.</p> <p>In the case of Mr. William Enright, his employment agreement provides that, in certain circumstances, if his termination of employment occurs following completion of the calendar year but prior to payment of the annual cash bonus, he would be entitled to receive such bonus.</p>
Equity awards	<p>If an Executive Director ceases employment with the Group before the release date of a restricted share unit or the exercise of an option or share appreciation right, as a result of death or any other reason other than by reason of misconduct, to the extent that the award had not previously vested, it would vest and be released to the individual (or in the case of an option or share appreciation right, shall become exercisable) to the extent determined by the Committee, which may take into account such factors as it considers appropriate including (but not limited to):</p> <ul style="list-style-type: none"> • the proportion of the period that has elapsed between the grant date and date when the award (or part of the award) would have vested had the participant remained in employment; and • the extent to which any conditions applying to the award (e.g., performance conditions) have been met. <p>The exercise period for any vested but unexercised option or share appreciation right would be reduced, unless otherwise determined, to twelve months from the date of cessation of employment.</p> <p>If a Participant ceases to be a director or employee of a Group by reason of misconduct, before the release date of a restricted share unit or the exercise of an option or share appreciation right, the award, whether vested or not, shall lapse immediately.</p>

The Company may also pay an amount considered to be reasonable by the Committee in respect of fees for legal and/or professional advice in connection with their cessation of office or employment of a departing Director and/or for outplacement support. The Committee reserves the right to make additional payments on termination of employment including where such payments are made in good faith in discharge of an existing legal obligation (or by way of damages for breach of such obligation) or by way of settlement or compromise of any claim arising in connection with the termination of a Director's office or employment.

Change of control

The rules of the Company's equity plans also make provision for the treatment of awards in respect of corporate activity, including a change of control of the Company. In such circumstances, the Committee would act in accordance with the rules of the relevant plan and the terms of specific awards, and may take into account such factors as it considers appropriate including (but not limited to) the proportion of the period that has elapsed between the grant date and date when the award (or part of an award) would have vested, and the extent to which any conditions applying to the award have been met.

In the case of Mr. William Enright, his employment agreement provides that, in lieu of the payments described above in respect of salary, benefits, and annual cash bonus, in the event that Mr. William Enright's employment is terminated by the Company without cause or he resigns for good reason, in either case within twelve months following a change in control, subject to the execution and effectiveness of a general release of claims in the Company's favour, he will be entitled to receive:

- a lump sum cash payment equal to 1.5 times the sum of his then-current base salary (or his base salary in effect immediately prior to the change in control, if higher) plus his annual target bonus for the then-current year (or the annual target bonus in effect immediately prior to the change in control, if higher); and
- continuation of group health coverage (provided he is participating in the group health plans immediately prior to his termination and elects COBRA health continuation) at the same rate as if he were an active employee, until the earliest of (i) the eighteenth month anniversary of his termination; (ii) he becomes eligible for group medical plan benefits under any other employer's group medical plan; or (iii) the cessation of his continuation rights under COBRA.

Mr. William Enright's employment agreement further provides that in the event Mr. William Enright's employment is terminated by us without cause or Mr. Enright resigns for good reason, in either case within twelve months following a change in control, then any outstanding time-based equity awards shall immediately accelerate and become fully vested and exercisable or non-forfeitable on the date of termination.

Policy for the compensation of employees and consideration of employment conditions elsewhere in the Company

The Company aims to provide all employees with a compensation package that is competitive and which is appropriate to promote the long-term success of the Company, while not paying more than is necessary. Generally, all employees will receive a base salary, benefits and a discretionary bonus subject to performance. In respect of the Executive Directors and other members of the senior management team, the compensation package is more heavily weighted towards variable pay and a greater proportion is delivered in equity. The Employee Share Purchase Plan, in which the majority of the Company's employees can participate, was introduced to encourage share ownership throughout the Company.

The Committee does not formally consult with employees when determining Executive Director compensation, but does consider compensation arrangements for the broader employee population when setting the pay for the Executive Director, for example, the employee salary budget.

Consideration of shareholder views

This is the first Policy voted on by the Company's shareholders, and approved at the 2022 Annual General Meeting. The views of the Company's shareholders are important, and the Committee welcomes any feedback from shareholders or their advisors on the Company's compensation arrangements. Any feedback received will be considered by the Committee as it develops the Company's compensation framework and practices going forward.

Annual Compensation Report

The Annual Compensation Report, which will be subject to an advisory shareholder vote at the 2023 Annual General Meeting, sets out the compensation of the Executive Directors and Non-Executive Directors for the year ended 31 December 2022 as well as providing details on how the Policy will be implemented for the year ended 31 December 2023.

Where required, certain sections of this Report have been audited by the Company's external auditors, PricewaterhouseCoopers LLP, and this is indicated where appropriate.

Compensation Committee

The members of the Committee are Dr. Anne Phillips, who chairs the Committee, Robin Wright, and Dr. Joseph Scheeren. All members of the Committee are Non-Executive Directors and considered independent, as defined in the applicable NASDAQ rules. Alex Hammacher was removed from the Compensation Committee in April 2022 as he was not considered to be independent, and therefore not able to participate per the NASDAQ rules. The Committee met 3 times during the year ended 31 December 2022. The attendees of the Compensation Committee meetings in 2022 were as follows:

Director	Attendance
Dr. Anne Phillips	3 of 3
Robin Wright ⁽¹⁾	2 of 2
Joseph Scheeren	3 of 3

(1) Robin Wright attended every meeting after joining the Compensation Committee in April 2022.

The primary objective of the Committee is to develop and implement compensation policies and plans that ensure the attraction and retention of key management personnel, the motivation of management to achieve the Company's corporate goals and strategies, and the alignment of the interests of management with the long-term interests of the Company's shareholders. Key functions of the Committee include:

- annually reviewing and approving the corporate goals and objectives relevant to the compensation of our Chief Executive Officer;
- evaluating the performance of our Chief Executive Officer in light of such corporate goals and objectives and based on such evaluation determine and approve the Chief Executive Officer's compensation;
- reviewing and approving the compensation of our other executive officers;
- reviewing and establishing our overall management compensation, philosophy and policy;
- overseeing and administering our compensation and similar plans;
- evaluating and assessing potential and current compensation advisors in accordance with the independence standards identified in the applicable Nasdaq rules;
- reviewing and recommending to the board of directors our policies and procedures for the grant of equity-based awards;
- reviewing and recommending to the board of directors the compensation of our directors;
- preparing our compensation committee report if and when required by SEC rules;
- reviewing and discussing annually with management our "Compensation Discussion and Analysis," if and when required, to be included in our annual proxy statement; and
- reviewing and approving the retention or termination of any consulting firm or outside advisor to assist in the evaluation of compensation matters.

In 2022, the Compensation Committee retained the services of Radford, which is part of the Rewards Solutions practice at Aon plc, an independent compensation consultant, to assist the Compensation Committee with respect to compensation actions in 2022 with the goal of ensuring that our compensation arrangements for our Chief Executive Officer, our other senior executive officers and our non-executive directors were competitive. Radford provided data from comparable publicly traded biotechnology companies and otherwise assisted the Compensation Committee in its design of competitive compensation for our Chief Executive Officer, senior executives and non-executive directors. The Compensation Committee expects to continue to use compensation consultants to assist the Compensation Committee in determining competitive levels of executive and non-executive compensation and specific design elements of our executive compensation program and non-executive directors' compensation program. The Compensation Committee continued to retain Radford through 2022 and 2023 in order to ensure that our compensation arrangements are competitive for 2023. The fees paid to Radford in respect of these services for the year ended 31 December 2022 amounted to £20 thousand. No other services were provided by Radford. After review and consultation with Radford, the Compensation Committee determined that Radford is independent and that there is no conflict of interest resulting from retaining Radford in 2022 or in 2023. In reaching these conclusions, our Compensation Committee considered the factors set forth in the SEC rules and the applicable Nasdaq rules.

- (2) Non-Executive Directors are paid in Pound Sterling. The figure in the table above reflects the actual amount earned by Non-Executive Directors from appointment date of 31 March 2021. - (3) Taxable benefits for Mr. William Enright relate solely to the provision of health insurance.
- (4) The figure in the table above reflects the actual amount earned by Mr. William Enright in the period presented. The bonus amount was paid in February of the subsequent year.
- (5) There were no performance obligations linked to the long-term equity awards. - (6) Mr. William Enright participates in a 401(k) Plan under which he receives matching contributions from the Company.
- (7) Total fixed compensation is the aggregate value of salary / fees, taxable benefits and pension. Total variable compensation is the aggregate value of any annual cash bonus and long-term equity awards.

The Chief Executive Officer's maximum annual cash bonus opportunity is based on 55% of salary for the year ended 31 December 2022 and the overall outcome (at 93% of personal objective achieved), is reflected in the value included in the 'single total figure of compensation' table above.

1. You may if you wish strike out the words “Chair of the meeting” and insert the name of some other person to act as your proxy in the space provided. All amendments to this form must be initialed. If you sign and return this form with no name inserted in the space the Chair of the meeting will be deemed to be your proxy. A proxy need not be a member of the Company but must attend the Meeting. Where someone other than the Chair is appointed as a proxy the member appointing him/her is responsible for ensuring that they attend the Meeting and are aware of his/her voting intentions. If a member wishes his/her proxy to speak on his/her behalf at the Meeting, he/she will need to appoint someone other than the Chair and give his/her instructions directly to them.
 2. A member entitled to attend, speak and vote at the Meeting is entitled to appoint a proxy or proxies to exercise all or any of his/her rights to attend, speak and to vote at the Meeting instead of him/her. A proxy can only be appointed by following the procedure set out in these notes and the notes to the Notice of Annual General Meeting.
 3. Completion and return of a form of proxy will not preclude a member from attending, speaking and voting at the Meeting or any adjournment thereof in person. If a proxy is appointed and the member attends the Meeting in person the proxy appointment will automatically be terminated.
 4. To be valid this form of proxy must be completed and lodged with the Registrars of the Company, Computershare, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom not less than 48 hours (excluding non-business days) before the time fixed for the Meeting and in the event of adjournment not less than 48 hours (excluding non-working days) before the time fixed for the Meeting together with, if appropriate, the power of attorney or other authority (if any) under which it is signed or a notarially certified or office copy of such power or authority. In the case of a member which is a company, the proxy form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.
 5. In the case of joint holders, signature of any one holder will be sufficient, but the names of all the joint holders should be stated. The vote of the senior holder who tenders the vote whether in person or by proxy will be accepted to the exclusion of the votes of any other joint holders. For these purposes, seniority shall be determined by the order in which the names stand in the Company’s relevant register or members for the certificated or uncertificated shares of the Company (as the case may be) in respect of the joint holding.
 6. A member may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. A member may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy, please sign and date the form of proxy and attach a schedule listing the names and addresses (in block letters) of all of your proxies, the number of shares in respect of which each proxy is appointed (which, in aggregate, should not exceed the number of shares held by you) and indicating how you wish each proxy to vote or abstain from voting. If you wish to appoint the Chair as one of your multiple proxies, simply write “the Chair of the Meeting”.
 7. If a member submits more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.
 8. The appointment under this form of proxy may be terminated by the member prior to the commencement of the meeting (or any adjournment of the meeting). To be valid, the notice of termination of the authority of the person appointed to act as proxy must be deposited at the offices of the Company’s registrar, Computershare, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom not less than 48 hours (not including non-business days) before the time fixed for the holding of the Annual General Meeting or any adjournment thereof (as the case may be).

Unless otherwise instructed, your proxy may vote or abstain from voting as he/she thinks fit. The vote “Withheld” option is to enable you to abstain on any particular resolution.
